Dear Joel Baptist,

6-1-2010

Greetings in the lovely name of Jesus.

I hope this newsletter finds you all doing well. The last few months have been busy for us, and we thank the Good Lord for it. We are home this week, taking Patty to the doctor. Please pray for her, she's having seemingly small seizures. I told her the other day that I was going to start calling her Job, she has one problem after another.

The revivals have been good these last months. We praise God for the revival in Cleveland OH. The Lord really blessed, one night of the meeting, my niece and her twelve year old son got saved. Several different family members came through out the week, I appreciate your prayers for my lost family. The states we traveled were GA. NC. OH. FL AL, and SC.

We really want you to know that we appreciate your support for our ministry. The motorhome expense between payment, and fuel is about nine hundred dollars a month. I am very thankful that the Lord has allowed us to purchase it, in order to take Patty with me.

We love you all, and thank God for you all.

Because of Calvary,

The Barnes
