Dear Friends,

We are still on the firing line and doing what we can to thwart the powers of darkness that is hard at work keeping these inmates blind to the Gospel. It is a full time job. The powers of hell never take a break. But thank God that the light breaks through every once in while and takes one from the powers of darkness & translates them into the Kingdom of His Dear Son. The Gospel of Jesus Christ is amazing . It has the power to cleanse the deepest dyed of all sinners. Heb. 7:25  
*"Wherefore is able also to save them to the uttermost that come unto God by Him seeing He ever liveth to make intercession for them."*

I have the privilege to preach each Friday morning in the chapel. A couple of weeks ago at the close of the message a young man by the name of John asked me to sit with him so he could ask me some questions. He wanted to know more about what I preached and especially about being saved. I talked to him a few minutes and he said that he had never been saved but wanted to be. I told him how Christ died for him and that if he would call on the Lord Jesus with all of his heart that Jesus would save him. At that time he called on the Lord. He has been very faithful to all the services. We praise God for John and ask that you pray for him as he grows in the Lord.

Please pray for us as we continue the ministry in the prison. There are so many more like this young man that needs to be saved. We do appreciate the opportunity to continue preaching and teaching in the prison daily. We do need your prayers that God will protect us as we try to reach these inmates for Jesus. The devil would love to see us put out of the prison. We are strong in our fundamental beliefs. We do not compromise God's Word and preach the Bible as it is to men like they are.

Again thank you for your continued support and prayers. If at any time we could come and make a report to your church we would be more than happy to do so. If you would like for us to come, please call me at 843-567-2383. What a blessing it would be to see some of you again.

In Jesus Name,

*Brother Lance & Sister Elyne Neal*
