## TAYLOR FAMILY UPDATE MARCH/APRIL 2012

We began our journeys in March heading to North Miss. The meetings were very well attended at Marshall County, though none of the men were saved. However, the revival at TCCF in Tutwiler was a great blessing. The prison was locked down, but they still allowed us to preach in the dorms, and go cell-to-cell. There were a total of **eight** men saved during the week. Praise the Lord!

The next week, we found ourselves back home, so that Stephanie could help with the cooking for the New Applicant Classes, then it was off to Alabama for the big blitz. That is always an enjoyable meeting, and I was able to return to the first prison I visited before we became missionaries. It was there at Kilby Correctional where God confirmed in my heart to work with Rock of Ages. The time there was very refreshing for my heart! Also, during the evenings, Stephanie and I worked in a women's prison. We had an enjoyable week, seeing several people saved.

After my parents came for overdue visit, we were back on the road, this time to the South MS Correctional, in Leakesville, MS. The meeting could not have gone better, with much cooperation from a large number of volunteers. We had three services each evening, several hours of visitation each day (included getting drenched in a rainstorm!), and a total of **37** men who trusted Jesus as Savior. What a blessing it was to see God do a work in these often forgotten lives.

Next, we were off to Meridian, MS for a good revival at East MS Correctional. Much of the prison was locked down, but one unit was open, and we preached to them three days, with **one** man trusting Christ as Savior. Until next time, please keep praying for us, as we will be doing for you!
