PRAYER LETTER

MISSIONARIES IN WALES, UK

MARCH 2012

Our Recent Family Picture

Dear Pastors and Friends,

December report - We had a wonderful Christmas time with many activities. We had a meal with our members and their families, as well as a carol service at our chapel. Both of these were an opportunity to reach out to our church members families and the community that do not normally attend our services. We have had a family start coming faithfully since our Christmas dinner, a mother and her adult son, that have moved into Rhayader from South Africa. We are thankful to the Lord for this family. They give testimony of their salvation in Christ and have been faithful in attending our services. We also want to thank you for all the Christmas cards and gifts that were given to our family during the Christmas season.

January report - Our ministry always seems to be quite slow in this month. We remained faithful in reaching out to the lost, inviting the community to our services and witnessing one on one at every opportunity we are given by the Lord. I have received several phone calls from other baptist chapels in the area that want me to fill in and lead in their services. With many baptist chapels without pastors, it is becoming difficult for the pulpit secretary to find preachers to fill their meetings. I am glad that they are calling me to come and preach for them, as it gives me an opportunity to reach out to other chapels that need help. Please pray for me, that God would use me to be a blessing to the baptist ministries that call on me.

February report - We were delighted to have 2 young students from the US with us for a weekend. Tyler and Shaun are in Bible college to prepare them for future pastoral ministries. They spoke to our Sunday School children, presented their desire to our church people and also blessed us with their singing. Our congregation were thrilled to see young people who were genuinely concerned with the future of churches. We look forward to having the boys back in April, as well as having a group of girls in the month of March.

Breanna and I, (Ronald), want to thank those who had sent birthday cards to us in January and then in February. Breanna turned 13 in January and we can now officially say we now have a teenager in our family. Please pray for Breanna, she does her best to serve the Lord, and invites her friends to our youth services and to Chapel services.

We thank you for your prayers and continued support of our ministry as your missionaries. May God continue to bless your ministry and family throughout this year.

Every blessing,

Ronald, Tennille, Breanna, Iestyn, Ian
